

AURORA

PREMIUM FREESTANDING HOUSE BUILDING PROJECT BY AUSTWOOD HOMES
IN NEW LAND DEVELOPMENTS AT AUSTRAL

PREMIUM HOMES BUILT FOR A LIFETIME

**SPECIAL 25-YEAR STRUCTURAL GUARANTEE.
PEACE OF MIND FOR YOU AND YOUR FAMILY.**

As a building company that stands behind our work, we are proud to offer a '25-year structural guarantee' for your newly built home starting from the date of your practical completion inspection. The period that it covers is over 4 times longer than the standard 6-year statutory warranties. The '25-year structural guarantee' is given to the original owner(s) named within the building contract. It covers the load bearing brickwork, structural timbers and steel beams in wall, house frame, foundation systems and concrete footings. Please note that this guarantee is not transferable to future owners of the property.

YOUR NEW HOME

ABOUT THE PROJECT

- AURORA is a premium freestanding house building project by Austwood Homes in new land developments at Austral.
- Its neighbourhood is poised to become the South-West's major hub, including a large shopping centre, restaurants, cafés, homemaker centre, offices, civic centre, aquatic centre and much more. With exciting proposed retail, cultural, employment and community offerings, future growth and investment is set to inject new life and vitality into this Priority Growth Area.

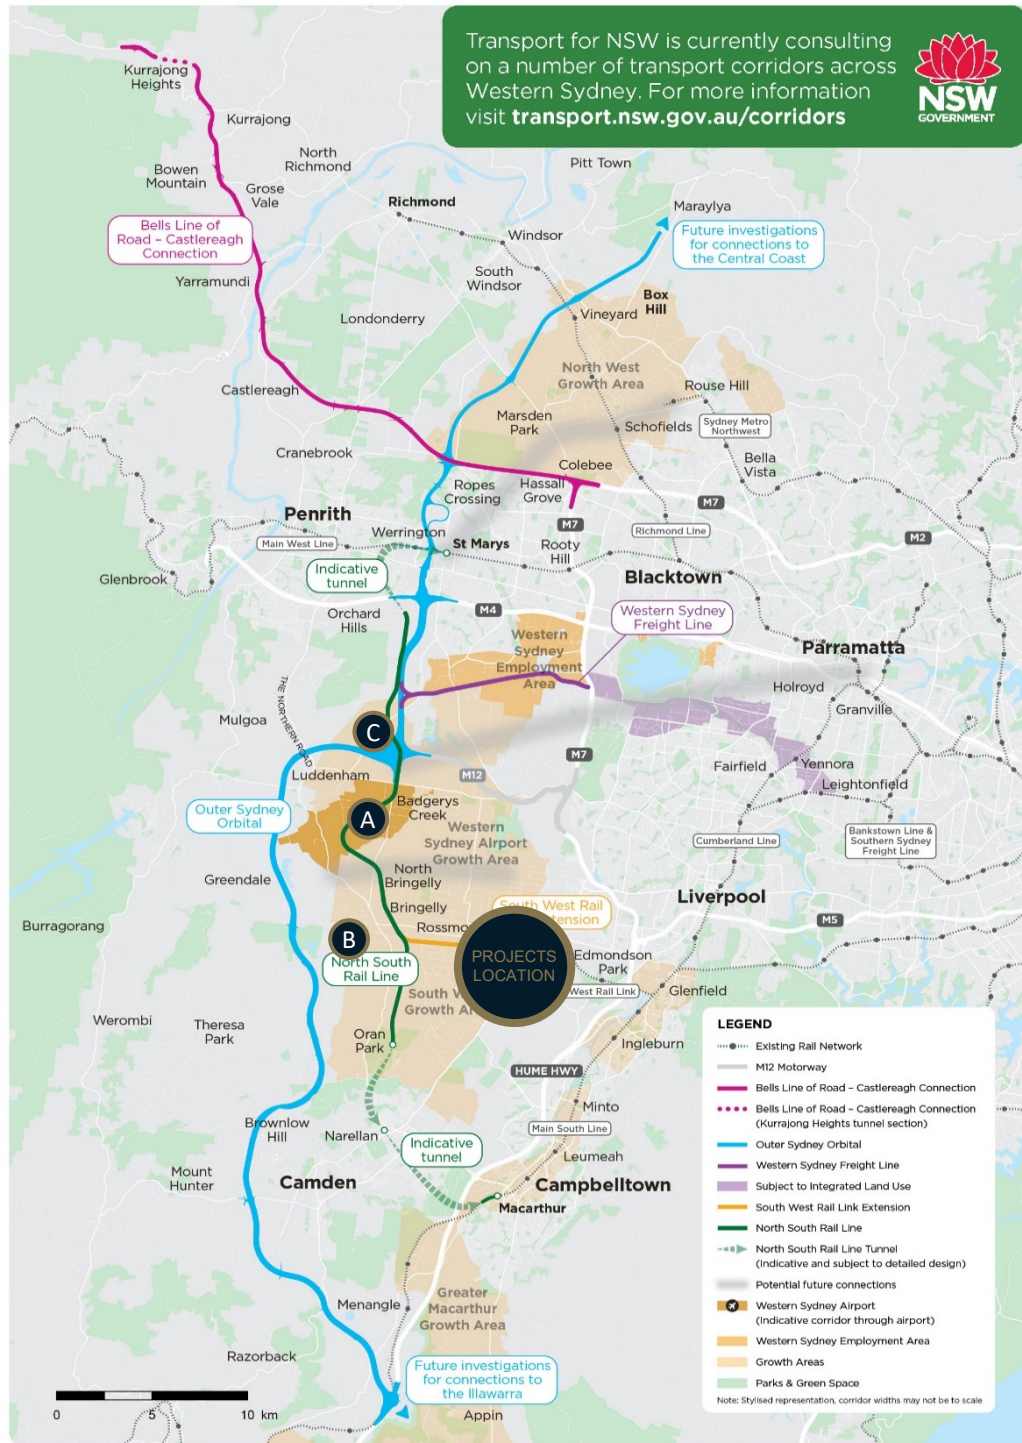

KEY POINTS

- Strong growth potential – strategically located in the latest NSW government plan : The Metropolis of Three Cities (Leppington CBD)
- Direct access to Aerotropolis by train. Aerotropolis includes new International Airport (\$20 billion), Sydney Science Park with University Campus (\$5 billion) & World Trade Centre (\$8 billion) – it is set to be the economic powerhouse of Sydney around Badgerys Creek NSW.
- Freestanding house project within walking distance to the shopping centre, business park and major train station of the Leppington CBD.
- Torrens title with no strata fee.

A scenic mountain landscape with a valley and distant peaks under a blue sky with light clouds. The foreground shows steep, rocky slopes on either side, leading down to a valley floor. In the distance, a range of jagged mountain peaks is visible, some with patches of snow or light-colored rock. The sky is a clear, pale blue with wispy white clouds. The overall atmosphere is bright and open.

Job opportunities

More jobs for Western Sydney

Western Sydney Airport will be a major source of jobs for people in the region.

The airport will support almost 28,000 direct and indirect jobs by 2031, five years after the airport opens in 2026. Jobs across a range of sectors, especially in construction, manufacturing and retail will be needed on site and around Western Sydney to support the project.

NEW INTERNATIONAL AIRPORT (\$5.3 billion infrastructure project):

- Set to open in 2026
- At least 10 million passengers in 2026 and this figure will rise annually
- 28,000 job opportunities by 2031

This rural site in Leppington could soon see work start on major development.

A shopping centre and thousands of homes could soon sprout on a sprawling property in Sydney's south west.

Just a few years after the 20ha lot at 127-163 Rickard Rd, Leppington, sold for a whopping \$78 million, its buyers are looking at how it may be developed in line with the NSW Government's plans for Leppington Town Centre.

A scenic view of a mountain range. In the foreground, a dark, rocky cliff face is visible on the left side, with some sparse vegetation. The background shows a vast mountain range with several peaks, some of which are covered in snow. The sky is a pale, hazy blue. The overall scene is a high-altitude landscape.
